## PRESIDENTS MESSAGE

Hello Idaho FCCLA! We are so excited to bring you yet another newsletter! We are so very close to our state leadership conference and the team and I are so excited to see every single one of you! This newsletter will talk about different state activities, national programs, and even the 2024 state officer candidates, so make sure you keep reading to see all of those!

Finally, because this is the last newsletter you will receive from the 2023-2024 SEC, I would just like to take a minute and thank you. Idaho FCCLA will always hold a special place in my heart, and I am forever grateful for the opportunities I have gained from this year. I love every single member of this amazing organization and am so excited to see all of you at state.

Submitting your forms on time is essential for confirming your competition entry, getting those easy points, and helping you get that gold medal that will take you to NLC! Additionally, making sure that these forms are submitted shows that you are committed to excellence and professionalism. By prioritizing the timely submission of your forms, memorizing all your flashcards, and making sure that your visuals are all neat and organized, you'll be stepping towards achieving your goals and making the most of this valuable opportunity! FCCLA, let's make this SLC one to remember- be prepared with your online forms included with your projects and be ready to showcase your skills, taking you to the 2024 National Leadership Conference!

# NATIONAL PROGRAMS

---

Dear Idaho FCCLA,

These are the last two National Programs. I'm excited to see you at State!

**Career Connection:** FCCLA's Career Connection national peer education program guides students to develop, plan, carry out, and evaluate projects to discover their strengths and then develop and practice career-ready skills. Through their projects, members experience career preparation and improve their critical and creative thinking, interpersonal communication, practical knowledge, and real-world skills.

**Financial Fitness:** The FCCLA Financial Fitness national peer education program involves youth teaching one another how to earn, spend, save, and protect money wisely. Through FCCLA's Financial Fitness program, youth plan and carry out projects that help them and their peers learn to become wise financial managers and smart consumers. Youth leaders can build their peers' financial literacy and teach them skills for managing their finances today and in the future.

Your VP of Programs,  
Bella Overall
